Corrections to "SCAD-Net: A Semi-Supervised Connectivity-Aware Decoupling Network for High-Resolution Remote Sensing Image Change Detection"

Yuling Zhou, Kun Tan, *Senior Member, IEEE*, Xue Wang, and Wen Zhang

IN [1], several typographical errors were identified regarding figure citations and a dataset designation. The specific corrections are listed as follows.

On page 8, right column, line 6, the text "2022 (see Fig. 5)" should be corrected to "2022 (see Fig. 4)."

On page 9, right column, line 3, the dataset name "WHUCD (see Table IV)" was incorrect and should be corrected to "LEVIR-CD (see Table IV)."

On page 9, right column, line 4, the sentence "As shown in Fig. 6" should be corrected to "As shown in Fig. 5."

On page 10, right column, line 16, the phrase "Figs. 7-9 show" should be corrected to "Figs. 6-9 show."

These corrections do not affect the experimental results or the conclusions of this article.

ACKNOWLEDGMENT

The authors would like to extend their sincere gratitude to Shanghai Institute of Surveying and Mapping for their provision of the aerial imagery data. Furthermore, they deeply appreciate the invaluable assistance of their laboratory members in the labeling process for Shanghai dataset.
